WHAT OTHERS ARE SAYING ABOUT CCV

"CCV staff and web site are invaluable resources and partners for small agencies like Dream Day." *Dream Day on Cape Cod*

"Getting a summer volunteer through the CCV web site was a win-win experience for us and for the college volunteer. She's a senior in public health and her family has lived on the Cape for many summers. Through her unique hands-on experience, she learned about the real human needs of many of our year-round residents, and we got a volunteer who's already passionate about our mission!" *Oral Health Excellence Collaborative*
