“Creating a no more homeless pet state”

Michigan Pet Fund Alliance is the only organization with the goal to ensure that every healthy and treatable homeless dog and cat in Michigan lives! Many shelters in our state are needlessly killing animals. If we don't speak for those who cannot speak for themselves – Who Does? There is a solution called the No Kill Equation and when it is followed, 90% or more of the animals in shelters live. It is not more expensive – it is a matter of doing things differently. We won't stop our work until all shelters are following these programs.

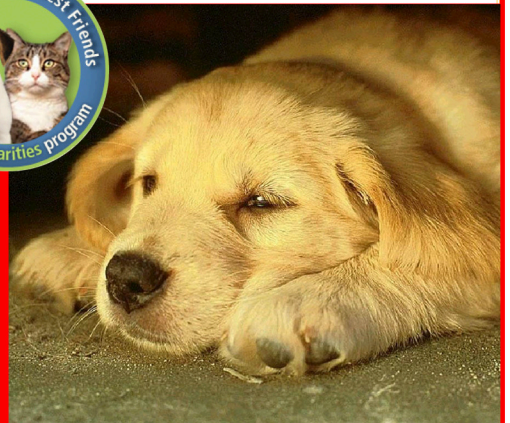

With your financial support we will succeed
