### Registration Information

Registration is available on a first-come, first-serve basis. Program sizes are limited and sell out quickly, so register early. All program dates, times, and rates listed in this brochure are subject to change. Fees are per person unless otherwise noted. If a non-resident fee applies, it's listed after the resident fee (example, \$10/\$13). Res indicates a resident fee and NR indicates a non-resident fee.

- ### How to Register
- Online - visit [www.brooklinerec.com](http://www.brooklinerec.com)
  - By phone - call 617.730.2069
  - Drop-in - come into any Recreation facility

### Forms of Payment

We accept cash, check, VISA, or MasterCard for payment on program registrations. A \$20 fee will be charged for all returned checks. Registration will not be accepted without payment.

### Waiting Lists Policy

Waiting lists are maintained for many programs. Contact the Recreation Department for more information.

### Refund Policy

No refunds will be given unless there is a medical emergency. A doctor's note is required.

### Cancellation Policy

The Brookline Recreation Department reserves the right to cancel any program at any time due to low enrollment.

### Resident/Non-Resident Fee Policy

The Park and Recreation Commission accommodates Brookline community members as a priority when creating and implementing services. Several programs and services also accommodate non-residents, however, many services are in such high demand that non-resident participation is not permitted. Programs and services that can accommodate non-residents are assessed a non-resident fee of 35% above the resident rate. Programs and services are reviewed annually and non-resident participation is assessed.

Residency is determined by presenting documentation of residing in the Town of Brookline through utility bills, lease, or if a child attends a Brookline public or private school.

### Reduced Fee Policy

A 35% discount is available for seniors, students, veterans and disabled participants of our Health and Wellness activities. To receive your reduced rate, please register by phone or in person.

### Financial Aid Assistance

A confidential application can be submitted to the Recreation Department for review. The applicant may be granted a reduction in fee at the discretion of the Director of Recreation. Many programs are self-supporting, which limits the amount of available aid per program. Applications must be completed and submitted prior to making full payment for the program. Once received, applications are reviewed using the Department of Housing and Urban Development (HUD) Median Family Income Limits as a guideline for determining the amount of assistance awarded. A 20% payment is required at the time of registration for all registrants requesting assistance. Applications must be received 5 business days after original registration unless otherwise stated in the registration information. Once the application is received, applicants are contacted via email or phone. Payment plans are also available and can be arranged at the time of registration. Please call 617.730.2069 or visit [www.brooklinerec.com](http://www.brooklinerec.com) for more information.

### Photo Permission Policy

Registrants and participants permit the taking of photos and videos of themselves and their children during recreation activities for publication and use on the Recreation Department website, social media pages, and in publications.

### Friends of Brookline Recreation

The Friends of Brookline Recreation is a non-profit organization that is a designated endowment under the Brookline Community Fund. Our mission is to provide support to Brookline Recreation for the development of programs, services, and facility improvements, and to promote opportunities for active and healthy lifestyles. To find out how you can help to support the Friends of Brookline Recreation, please contact Lisa Paradis, Director of Recreation.

### Our Mission:

To enhance the quality of life through enriching experiences, which support the Brookline Community in developing and maintaining healthy lifestyles.

### PARK & RECREATION COMMISSION

Chairman John Bain, Clara Batchelor, Antonia Bellalta, James K. Carroll, Daniel Lyons, Nancy O'Connor, Jean Stameris

The Park & Recreation Commission consists of 7 residents appointed by the Brookline Board of Selectmen. The Commission is a policy-making board responsible to the town for providing year-round high quality indoor and outdoor recreation activities for children and adults. The goals of the Commission are to deliver programs that are culturally, socially, physically, and mentally healthy and which are presented at well-maintained parks and facilities. We are concerned with meeting appropriate community based needs that are cost efficient and within the reach of the overall community resource base while providing the highest level of participant satisfaction. Safety and quality are paramount. All individuals with special conditions are entitled to full participation in any Brookline Recreation Program. Meetings are held on the second Tuesday of the month, 333 Washington Street, room #111 at 6:00P at the Brookline Town Hall.

**Coached Masters Workout**

Interested in taking your swim training to the next level? If so, then there's no better way than to join a motivated group: the Coached Masters Workout! We will focus on developing speed, endurance and technique for triathletes, competitive swimmers and any other athlete who wants to challenge themselves as they improve. Non-traditional workouts emphasizing quality over quantity (of yards!) will help you reach your potential as a swimmer, whether or not you choose to compete. You will also learn how to track your training, and better understand stress scores and body recovery timeframe. This is an awesome opportunity to have a great time while you test your limits in the water!

**Premier Fitness Trainers**

This class is designed to improve Speed, Agility, Reaction, Quickness and Strength in young athletes. Emphasis will be placed on injury prevention by creating stronger, well balanced athletes. In this eight-week class, athletes will work on proper acceleration training, focusing on smart start positions, gait cycles and body positioning to improve speed. Using bodyweight exercises, weighted vests, medicine balls, TRX and resistance bands, athletes will learn proper ways to create more strength and power. In addition, Mark and Nicole will introduce change of direction and acceleration drills with visual and verbal cues to increase reaction and quickness. Coaches and parents love this type of programming because it not only improves their athletes performance, but it also helps prevent any chance of injuries, which is the most important component of training young athletes.

July (Res/NR):  
\$70/\$95 on or before Jun 15  
\$80/\$105 on or after Jun 16  
Reg Date(Res/NR): Jun 3 / Jun 10

Location: KIRRANE Aquatics Center  
Parents will learn to work effectively with their toddlers to teach them basic water skills including: entering and exiting the pool, blowing bubbles, submerging, floating, kicking and basic arm movements. Basic water safety skills will also be introduced. This class is a great opportunity for parents to spend quality time with their children as they enjoy progressing through the skill sequence via "skill drills," games, songs and group activities. Combined with Aqua Babies and Preschool with Parent class on weekdays.

### Preschool Swim With Parents (PSWP)

Age: 2.5-5  
June Fee (Res/NR):  
\$40/\$54 on or before May 25  
\$50/\$64 on or after May 26  
Reg Date(Res/NR): May 13 / May 20

July (Res/NR):  
\$70/\$95 on or before Jun 15  
\$80/\$105 on or after Jun 16  
Reg Date(Res/NR): Jun 3 / Jun 10

Location: KIRRANE Aquatics Center  
For children who are not yet ready to separate from their parents and/or who have little or no water experience or are not yet comfortable in the water. We will guide and assist the parents in teaching their children basic water skills to help them work toward independence in the water. The focus is on such skills as floating, blowing bubbles, kicking, reaching and pulling, and entering and exiting the pool safely. Combined with Aqua Babies and Water Tots on weekdays.

### Preschool 1 (PS1)

Age: 3-5  
June Fee (Res/NR):  
\$40/\$54 on or before May 25  
\$50/\$64 on or after May 26  
Reg Date(Res/NR): May 13 / May 20

July (Res/NR):  
\$70/\$95 on or before Jun 15  
\$80/\$105 on or after Jun 16  
Reg Date(Res/NR): Jun 3 / Jun 10

Location: KIRRANE Aquatics Center  
For preschoolers who have little or no water experience, or who are not yet comfortable in the water, but can take directions from the instructor. The focus is on water adjustment and the introduction of basic skills, including: kicking, blowing bubbles, partially submerging, floating and entering and exiting the water safely. Basic water safety skills are incorporated throughout the course.

### Preschool 2 (PS2)

Age: 3-5  
June Fee (Res/NR):  
\$80/\$108 on or before May 25  
\$90/\$118 on or after May 26  
Reg Date(Res/NR): May 13 / May 20

July (Res/NR):  
\$70/\$95 on or before Jun 15  
\$80/\$105 on or after Jun 16  
Reg Date(Res/NR): Jun 3 / Jun 10

Location: KIRRANE Aquatics Center  
For preschoolers who are comfortable in the water, but who cannot yet swim independently on their front and back. We will work on submerging, blowing bubbles, floating on the front and back, kicking on the front and back, and finning. Safety skills will be introduced, in addition to entries and exits from the pool.

## Nature Explorations

All explorers are invited to discover nature through stories, crafts, activities and hikes in Brookline's parks and sanctuaries! Each class will focus on seasonal nature themes such as flowers, habitats, ponds, animal sounds, and much more. Nature Explorations aims to increase your budding naturalist's appreciation for science and the outdoors while developing his/her skills in observation, classification, counting and investigation. This is a great opportunity to expose your child and yourself to some of the amazing natural places in Brookline. Children must be accompanied by an adult. Directions and locations will be emailed the week prior to class.

Location: Environmental Education Center  
 Fee (Res/NR): \$144/\$195 Spring, \$100/\$135 Summer

## Soule Early Childhood Center

The Early Childhood Program is an innovative mix of inspired Reggio Emilia and Montessori educational philosophies.

We believe that childhood is a joyful time and that children need time to explore the world, practice skills, and learn to navigate and develop social interactions. We offer a variety of experiences for children that help to develop the individual and the community. We support learning and physical activity by scaffolding learning through observation, thoughtful curriculum development, and selection of educational materials.

Our historic carriage house building is surrounded by natural beauty, nestled in the center of the Soule Park. Children can explore nature; play on our two state of the art play areas and our child friendly aquatic park.

The summer program is offered to enrolled families only. To schedule a tour please call: 617.739.7598

Programs offered: Hours of Operation: 8:00A-6:00P

**(Recreation Activities For Teens)**

RAFT is a year-round club for teens in grades 6-8. This club provides safe, affordable opportunities for recreation activity outside of school. In the past year over 1,000 members participated in our monthly trips and multiple special events. Our past events include school dances, open gym nights, ski trips, Red Sox games, amusement parks, water parks, and many other various activities. The members of this club have a large say in what activities we offer. There is a yearly membership fee of only \$10 that entitles students access to all RAFT programming. Registration begins for 6th graders in the beginning of the school year at their elementary schools. Members will receive a RAFT Membership pass to be presented at all activities. Students will receive monthly newsletters with information about upcoming trips and special events. All students who were RAFT members in the 2012-2013 school year should keep their card. Replacement cards can be purchased for \$5 at the Eliot Recreation Center. For returning members, you may renew your passes online at Brooklinerec.com.

Rajeev Balakrishna, President 617.396.7933

Presents youth baseball programs for boys and girls living in Brookline or attending a Brookline public or private school. From Labor Day through late October participants are offered the opportunity to develop skills and compete against other towns through clinics and travel teams. From early December through mid-February weekly baseball clinics provide indoor instruction to participants at several age levels. From April through June intra-town play exists across many leagues that include 1st graders through 10th graders, with over 400 participants playing on more than 30 teams. From July through August, travel teams at various age and skill levels allow the best players in Brookline to compete against peers from other towns in the area. Tryouts for players entering Minors, Major B and Major A will be held at Boston University's Athletic Enhancement Center in March.

info@brooklinesoccer.org  
Chan MacVeagh, REC PLUS Coordinator  
Fee (Res): \$65

This youth soccer training program is specifically designed for the Rec soccer players in Brookline. It will be open to 1st, 2nd, and 3rd graders who are NOT on any travel teams. The weekly clinics will take place on Sundays between 1:00 and 5:00 at Upper Soule Field. Each clinic will be run by an experienced coach and a high school assistant. We encourage coaches to attend with their children as each session will provide structure and ideas for the regular practices. Boys and girls will be coached together. 1st and 2nd graders will be together as well. The 3rd graders will have a separate program. The program will run from April 27th to June 22nd. It will be first come first served.

### Revolution Game

Join the Brookline Soccer Club (BSC) and Recreation Department at a Revolution Soccer Game at Gillette Stadium. The Revs will take on the MLS Seattle Sounders. The game begins at 6:00P and the first 100 families to register will be able to participate in the shot on goal contest after the game! ### Introduction to Skateboarding

Designed for beginner/intermediate skateboarders with little to no experience, this class teaches fundamental skateboarding tricks and skills. Concentrating on balance, turning, accelerating, stopping, transitions, dropping in, Ollies, and a variety of other skills, we not only teach tricks but help participants develop confidence to apply them on their own. Proper safety equipment (helmet, knee and elbow pads, and wrist guards) and skateboards are required. For those that can't bring them, they will be provided but you must let us know upon registration. Participants must keep all safety gear on at all times and wear athletic shoes. This is an 8 class program over the course of 4 weeks.

### Tae Kwon-Do Grades K-8

Tae Kwon-Do is far more than just kicking and punching. It is also a philosophy, a way of life, and a code of conduct which emphasizes self-control. As students learn the physical aspects of the martial art—coordination, strength, speed, flexibility and endurance—they also learn the five moral tenants of Tae Kwon-Do: courtesy, integrity, perseverance, self-control and indomitable spirit. Classes are taught by Giorgio's Tae Kwon-Do & Fitness Company which has been based in Sudbury for over 25 years. At the end of the 8 week session, every participant will have the opportunity to break boards and showcase what they learned to their parents. Tae Kwon-Do uniforms with belts are available to purchase separately for \$25.

### Archery

Looking for a unique recreation activity? Archery is an individual sport that provides the opportunity for everyone to excel. The benefits of archery include exercise, mental focus, self-discipline, and social interaction. This program teaches the fundamentals of good form and technique, as well as safety. Participants, through a series of mini-tournaments designed to advance you through the 10 ranks of the Jr. Olympic or adult training program, are awarded a certificate displaying their highest rank earned at the end of the clinic. Instructors are NAA and Archery USA certified. All equipment is provided and families are encouraged to participate together.

### Youth Soccer Coed Grades 1-8 Girls Grades 1-8

The Brookline Youth Soccer leagues are designed as learning soccer game programs and are open to all children who live in Brookline or attend a Brookline public or private school. Children are assigned to play on one team throughout the fall season. Most teams are composed of children from the same neighborhood school. Players are given an official BY Soccer team shirt but must provide their own shin guards, athletic footwear, and soccer ball. Many teams make up a league and each Saturday your child's team will play a different opponent team in that league. Every BY Soccer team will play a one hour game on Saturdays and also may have a weeknight one hour team practice, depending upon coach availability. Two parent volunteer coaches are needed for each team. Each player can expect equal playing time in every game. Participants in grades 1-2 need to provide their own #3 ball, in grades 3-6 a #4 ball, and in grades 7-8 a #5 ball.

## Recreation Therapy in Brookline

The Recreation Therapy Division provides a diverse range of programs for individuals living with and without disabilities in Brookline and its surrounding areas. Programs range from social based activities such as teen outings, specialty activities, and sports programs to more Therapeutic-based groups such as Swim Classes, Social Activities, and Dinner Groups. Programs vary from Season to Season and the best way to stay informed on the latest Recreation Therapy Program offerings is to go to **www.brooklinerec.com** and search under **“Rec Therapy”**.

## What is Recreation Therapy?

Recreation Therapy is a form of therapy that uses leisure modalities and the things you like to do to increase functional independence, reduce barriers related to recreation, and improve the overall quality of life for individuals living with disabilities. “Recreation Therapy means, a treatment service designed to restore, remediate, and rehabilitate, a person’s level of functioning and independence in life activities, to promote health and wellness as well as reduce or eliminate the activity limitations and restrictions to participation in life situations caused by an illness or disabling condition.” – American Therapeutic Recreation Association (ATRA).

## Why is Recreation Therapy so Important?

Research supports the concept that people with active, satisfying lifestyles will be happier and healthier. Recreation Therapy provides services, and treatment which are based on the individuals’ interests and lifestyle. This allows them to better engage in therapy and apply these functional improvements in all areas of their life. For individuals who have functional deficits and a need for therapy, Recreation Therapy services which integrate the client’s lifestyles and natural environments are often the most clinically appropriate manner to achieve meaningful outcomes. Recreation Therapy allows for better generalization to enhance individuals’ functional orientation to treatment. Put simply, Recreation Therapy works to improve individuals’ functioning and keep them as active, healthy and independent as possible in their chosen life pursuits.

## Mission:

The mission of the Recreation Therapy Division of the Brookline Recreation Department is to provide effective, Therapeutic-based programs for youth through adult populations who have disabling conditions and/or illnesses in an effort to promote positive growth, development, and independence. This is accomplished through the provision of recreation services in a safe, structured, and prosperous environment via the Brookline Recreation Department.

## On the Town Outings

Join us for our bi-monthly, Therapeutic Recreation facilitated outings encouraging Brookline area teens and young adults of various abilities to socialize, explore the community, and build friendships. Transportation is provided to and from the events, departing from the Eliot Recreation Center. \*This is a Recreation Therapy program designed for individuals who have various disabilities.

## Volunteer with Recreation Therapy

There are a number of volunteer opportunities throughout the year in the Recreation Therapy Division. Volunteers are needed in every aspect of programming from one on one aides, to coaches for Special Olympics. Volunteering is a great way to earn community service hours, meet great people, have fun, and gain valuable life experiences. If you are interested in Volunteering or have more questions regarding donating your time and talents please contact Brandon Fitts, CTRS.

## Brookline LEADS

Brookline LEADS (Life skill Education And workforce Development for Students) is a transitional program for students on an IEP in the 19-22 year program at Brookline High School. Select participants will become interns at a variety of Brookline Recreation facilities and will work to improve vocational, life, and social skills. Sign up online at [www.brooklinerec.com](http://www.brooklinerec.com) to be put on the list and you will be contacted for placement around the beginning of the new academic school year 2013/2014.

## Forever Young

This bi-monthly group meets Thursday nights at a Restaurant/Tavern in Brookline from 6:00P-8:00P! This 21+ social group is a great way to meet people, make new friends, and have good conversation in a loosely structured, public environment. This program does NOT require registration prior to the event nor does it cost anything to attend. The only cost depends on you, and how much you want to spend on food that evening for dinner (you can come, hang out, and not spend money at all if you’d like!). The location of the dinner will be posted at [www.brooklinerec.com](http://www.brooklinerec.com) each week under the “Rec Therapy” tab. Come to dinner and be Forever Young! \*This is a Recreation Therapy program designed for individuals who have various disabilities. Please note: For the Summer months Forever Young is moved to Wednesday nights.

## Individualized Recreation Therapy Sessions

Individualized Recreation Therapy Sessions are facilitated by a Certified Therapeutic Recreation Specialist (CTRS). Individuals can sign up for a screening to ensure you or your child qualifies for such services. Once you are signed up a CTRS will contact you to continue the process. Recreation Therapy one on one services are intended to use recreation activities as a means to increase functional independence, decrease barriers related to recreation and leisure, and improve overall quality of life. For more information please contact Brandon Fitts, CTRS.

## Brookline QUEST

Brookline QUEST (Quality Unique Enrichment for Special Needs Teens) is a local non-profit that helps to establish and support traditional and innovative recreational, leisure, and cultural activities that encourage Brookline area young adults with special needs to develop physical fitness, prepare for entry into community programs, provide opportunities to socialize, build lifelong friendships, increase self confidence, discover their strengths, develop their interests, and prepare for their lives as independent adults. Brookline QUEST provides many opportunities for fun and socialization, including evening outings, and exciting day trips. ## Summer Day Camps

The Brookline Recreation Department offers three summer day camp programs to children ages 5-6, 7-9, and 10-13. Each camp provides various activities and pre-established schedules where children can build confidence, develop skills, make new friends, and have fun! Our camp gives children an experience that lasts a lifetime by providing challenging activities under the guidance of caring, well-trained staff members. Children take part in arts & crafts, music, non-competitive sports & games, water activities, recreational play, and theme activities. Cafeteria lunch services are also available for additional cost to be paid during your camp session.

## Camper to Counselor Ratios

Brookline Recreation Summer Day Camps provide supervision in ratios to allow our counselors the opportunity to build relationships and provide each child with the attention he or she needs. Our ratios are as follows: Camp Kangaroo 1:5, Camp Gator 1:10, Camp Express 1:10

## Bus Transportation

Bus transportation is available to all registered Brookline Recreation Campers. Bus routes are not door to door, however we attempt to get as close to each household as possible. You must be registered for bus transportation by May 23rd, 2014. All Bus routes will become available in early June 2014.

## Extended Day

Extended day programming is offered at all camp sites for an additional fee. Extended day will provide your children with supervision and additional camp activities from the end of the regular camp day. Extended day is from 4:00 to 6:00 each day. The fee is \$10/a day and you can register anywhere from 1 to 5 days a week.

## Field Trips

Each camp will partake in a series of field trips throughout the summer. Camp Kangaroo and Camp Gator will travel on one trip per session. Camp Express will travel on 2-3 trips per session. All field trips are included in the camp fees. Each camper will receive a 2014 Brookline Recreation Camper T-Shirt as well to be worn on all of the trips.

### Puppetry Building and Design Camp: Creature Creators

Can you imagine the world's craziest creatures? Do you like making things by hand? Then join us on a safari to the far reaches of your imagination! In "Creature Creators," participants will experience the fun and challenging process of puppet design, resulting in the creation of never-before-seen puppet creatures. Explore the materials and mechanisms used by professional puppet builders to create and control imaginative characters. Daily art activities will encourage bold creative choices and exercise core artistic skills such as drawing, sculpting, coloring, and properly applying real fake fur. Craftsmanship, attention to detail, and project-planning skills will also be acquired along the way. The week will conclude with a group demonstration of everyone's creations. In addition to puppetry activities, campers will enjoy fun recreational games and outings each day led by counselors from the Brookline Recreation Department including trips to the town swimming pool. Sign up for both sessions to receive a \$50 discount.

**Green Dog Program**

[www.brooklinema.gov/GreenDog](http://www.brooklinema.gov/GreenDog)  
This program is an innovative approach to meeting our dogs' and dog owners' desire to have time off-leash, while sharing the spaces with other park users in our urban community. Brookline has 14 off-leash areas scattered across the Town, with specific off-leash hours established by the Park and Recreation Commission. Green Dog Program off-leash hours and parks can be found in the current Green Dog Brochure or by visiting [www.brooklinema.gov/GreenDog](http://www.brooklinema.gov/GreenDog)

The Green Dog Program is an optional recreation program and requires a fee to participate. All dogs must be wearing a current Green Dog tag to take advantage of off-leash privileges. Green Dog Program fees cover the calendar year. Green Dog tags will expire at the end of December each year and must be renewed for the following year.
