Dear Mr. DeNapoli,

Your request of November 19, 2013 to the Aardvark Research Group, LLC., St. Louis, Missouri, has been forwarded to this Headquarters for reply.

The records show that you enlisted in the Platoon Leader Course of the Marine Corps Reserve on October 3, 2002. You performed active duty for training from January 19, 2003 to February 10, 2003. You were disenrolled from the program on February 25, 2003 as an entry level separation. Individuals separated for this reason do not receive a discharge certificate or character of service.

The DD Form 214 is prepared only upon release or discharge from active duty, initial tour of active duty for training or for periods of active duty for training of 90 days or more. Since you did not serve on active duty while a member of the Marine Corps Reserve, other than active duty for training, you were not entitled to a DD Form 214.

Sincerely,

A handwritten signature in cursive script that reads "A. J. Cleveland".
