

Emergency First Aid at Work

Tuesday 21st October 9.00am – 4.30pm
NWL Chamber Fylde Coast Training Facility

The First Aid at Work course runs over a single day. Candidates will receive their training as well as a 20 section, first aid at work book which they will be able to keep upon completion of the course.

On completion of training, successful candidates should be able to:

- Understand the role of the first-aider including reference to: - the importance of preventing cross infection; - the need for recording accidents and actions; -use of available equipment.
- Assess the situation and circumstances in order to act safely, promptly and effectively in an emergency.
- Administer first aid to a casualty who is unconscious (including seizure).
- Administer cardiopulmonary resuscitation.
- Administer first-aid to a casualty who is choking.
- Administer first-aid to a casualty who is wounded and bleeding.
- Administer first-aid to a casualty who is suffering from shock.
- Provide appropriate first-aid for minor injuries (including small cuts, grazes and bruises, minor burns and scalds and small splinters).
