CEO Position for Ferrell Hospital, Eldorado

Deaconess Health System in Evansville, IN has entered a Management Services Agreement with Ferrell Hospital Board of Directors to ensure the continued success of a long standing Critical Access Hospital. Deaconess Health System includes six hospitals, over 20 primary care locations and several specialty facilities. Ferrell Hospital, located in Eldorado and providing care to a three county service delivery area, has seen significant growth with the partnership of the Gallatin County Wellness Center and expanding Family Practice Clinics.

Successful CEO candidates will possess the following: Prior hospital CEO experience or progressive senior leadership experience as a COO, Clinical or Financial Director

- Knowledge of Critical Access Hospitals/Rural Healthcare delivery
- Ten years' overall hospital/healthcare experience
- Results driven leader demonstrating a history of success in healthcare management
- Bachelor's degree with Master's level degree desired

Responsibilities include maintaining service excellence in areas of patient care and safety, medical team and employee relations, finance, along with capital and technology acquisition. CEO would additionally ensure regulatory and accreditation standards are met while being an integral and engaged community member. CEO would be expected to live within the service delivery area of White, Saline and Gallatin Counties. Excellent salary and benefit package along with relocation provided.

Interested candidates may apply through the Careers Section at www.deaconess.com, job listing 14-0483 or contact Bob Scheller, Deaconess Human Resources at bob.scheller@deaconess.com or 812-450-2362.
