Movie Presentation

Wednesday, November 19th

7:00 p.m. in the

Monsignor James P. Kelly Parish Center

As we near the beginning of our new ecclesiastical year, Advent is the season of preparation for the birth of the incarnate Jesus Christ. The central figure during this season is our Blessed Mother, Mary of Nazareth. The Respect Life Committee is excited to present an epic new motion picture of the life of Mary.

Father Lachlan Cameron will reflect on Mary's life and her central role during Advent prior to the film.

There will be a free will collection and all proceeds will be contributed to Regina Residence, which provides housing and supportive services for pregnant and/or parenting young women and their children.
