CHRISTIAN STUDENT FOUNDATION

The Christian Student Foundation holds weekly Sunday morning worship services, Bible studies and small groups for Ball State students. In addition to our weekly events, we offer students special events like retreats, conferences, and mission trips. CSF also features housing for students, leadership development, and a ministry to international students. The mission of CSF is to introduce students to Jesus, the Bible and the church, develop Christian leaders among Ball State students, and mobilize Christian students for ministry and mission.

CHRISTIAN STUDENT FELLOWSHIP

At CSF, we want to DO LIFE TOGETHER. Whether it is sharing a meal, praying for each other, studying for classes, or just hanging out, we believe that to pursue authentic faith, you must do so in community. We desire to serve the local community through service projects and globally on mission trips throughout the year. We want to be a community where we are challenging one another to overcome temptation and sin, and bring glory to God. Our ultimate goal of pursuing authentic faith is to build each other up so that we can step out into the world, leading others to salvation in Christ. www.iucsf.com
