## Samsung Galaxy Tab 3

**Get the same Galaxy Experience, now on a Tablet.**

Nothing new to learn because it works a lot like a Galaxy smartphone. Just grab it and start having fun. A powerful tablet, with fast web browsing! Download apps, use it as a universal remote with just about any TV. The battery will keep you powered up for up to 8 hours. 3 MP camera lets you take amazingly crisp images, selfies and video.

And with Android 4.2.2 Jelly Bean, you can ask Google what you want, or tell it what to do, like get directions or even ask it what song is playing.
