

ISIS Greenwich McMillan

Student Residence - Available all year round

McMillan Student Village is located a short walk from Greenwich town centre. Offering a safe and comfortable community this will prove the perfect environment in which to relax, study and socialise. Key amenities such as supermarkets and transport routes are also within a few minutes' walk.

Your Studio Room - Your room will be cleaned before your arrival, but you will have to look after your room and keep it clean during your stay and put rubbish out once a week. Students are responsible for the general care of the communal area of flat and block and individually responsible for the upkeep of the rooms. Students must not bore holes or affix anything to the walls. Studio rooms are for single occupancy.

Moving in and moving out - Check in: Sunday after 15:00. Check out: You will be required to vacate your room by 10:00 on the final date of your stay, as we will need to clean room for new students. You must remove all your possessions and refuse from the flat and return your key.

Security & Valuables - Your safety and security is of the utmost importance to us and we feature a sophisticated fire detection system, CCTV surveillance, a 24-hour manned Reception desk, and a secure entry system throughout the Student Village. The school and the residence cannot take any responsibility for any loss or damage. Please look after your valuables and money at all times. We strongly recommend that all students have valid and comprehensive travel, medical and contents insurance.

Launderette - The coin operated launderette on site is open 6:00 AM to midnight and is situated in the ground floor of D block. Please ensure that you have change to do your laundry as change is not available at the reception.
