

Neighbor Support Night: A Night Dedicated to Fort Lauderdale's Neighbors

How well do you know your neighbors, and not just the ones living next door? How often have you interacted with City of Fort Lauderdale elected officials and staff? How much do you really know about new and existing programs and services the City offers? How does the City respond to Police, Fire-Rescue, and Public Works emergencies? If you answered "not very well," "not often," "just a little," or "I don't know," then make plans to attend Neighbor Support Night to get detailed answers to these questions and to learn much, much more.

Neighbor Support Night, sponsored by the City of Fort Lauderdale and the Council of Fort Lauderdale Civic Associations, is taking place on **Tuesday, February 11, from 6 p.m. to 8:30 p.m.** at Fort Lauderdale City Hall, 100 N. Andrews Avenue. This unique event enables neighbors to join together with their City to strengthen community ties, elevate public spirit, and build civic awareness in a fun, casual, block party type of atmosphere.
