DUBUQUE COMMUNITY YMCA/YWCA WEST

The Dubuque Community YMCA/YWCA is a cause-driven organization that is for youth development, healthy living, social responsibility, eliminating racism, and empowering women. That's because a strong community can only be achieved when we invest in our kids, our health and our neighbors. We believe, now is the time to invest.

The Dubuque Community YMCA/YWCA Board of Directors is excited to announce our expansion to the west end. On June 1, the Dubuque Community YMCA/YWCA will occupy the former Westside Fitness Center located at 4707 Pennsylvania Ave., under the new name **DUBUQUE COMMUNITY YMCA/YWCA WEST**.

HAVE SOME QUESTIONS? WE THOUGHT YOU MIGHT.

Why this location?

The Dubuque community continues to grow and we want to continue to grow with it. After much review, it was recognized that the community growth has expanded on the western side of the city and felt this was good location to meet many of the community's needs.

Did the Y purchase Westside Fitness?

The Dubuque Community YMCA/YWCA did not purchase Westside Fitness. We did purchase the equipment inside the building and will take over the lease of the former site. The former owner, will continue her second operation (Women's Wellness Center) in the adjoining side of the facility.

How does this further the mission of the Y in the Dubuque community?

At the Dubuque Community YMCA/YWCA, our cause is strengthening community. By providing a second location to our members, we believe we are doing just that. We want to make our services convenient and accommodating to our growing community.

I have a membership at Westside, what does this mean?

As a current member of westside fitness, paid-in-full members will be honored and transferred into our system; you will need to stop by the desk to receive your new scan card. Bank draft members will need to re-register into our system. Westside members will not be charged the activation fee. Class schedule at the West location will remain the same at this time. You will also have full access to the main YMCA/YWCA location.

I have a membership at the Y, what does this mean?

As a current Y member, you will now get the benefit of two locations. Check-in system at our West location will be the same scan card you use at the main facility. Classes will remain the same at the Y and you will now get the added classes at the West location. The west location does not have a pool.

Are kids allowed at the West location?

- Youth Orientations are held the 1st and 14th of month. 5:00 PM on weekdays. 12:00 PM on weekends.

Can I register for youth programming at the West location?
