Planetary Retrogrades

- Geocentric (earth-centered) phenomenon of apparent motion.
 - More powerful because of close proximity to Earth.
- Causes withdrawal from status quo to re-define planetary archetype according to individual natural law.
- Retrograde planetary archetype is non-static, perpetual state of evolving.
 - Accelerates evolution of planetary archetype.
- Sign and house of zodiac defines retrograde manifestation.
 - Opposite sign and house of zodiac provide clarity and expression.
- Answers to retrograde lessons come from within self.

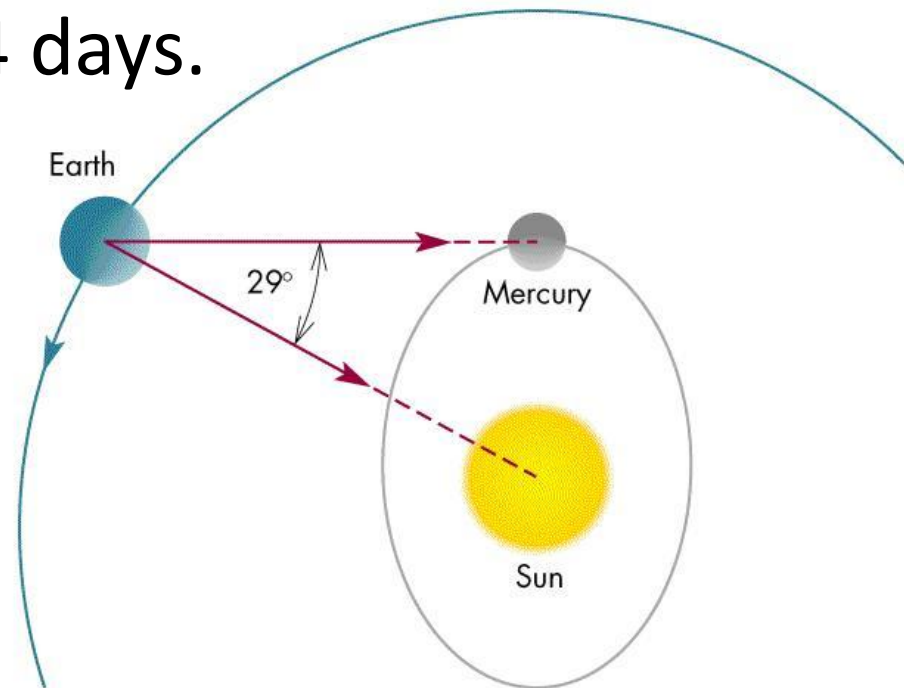

Planetary Retrogrades

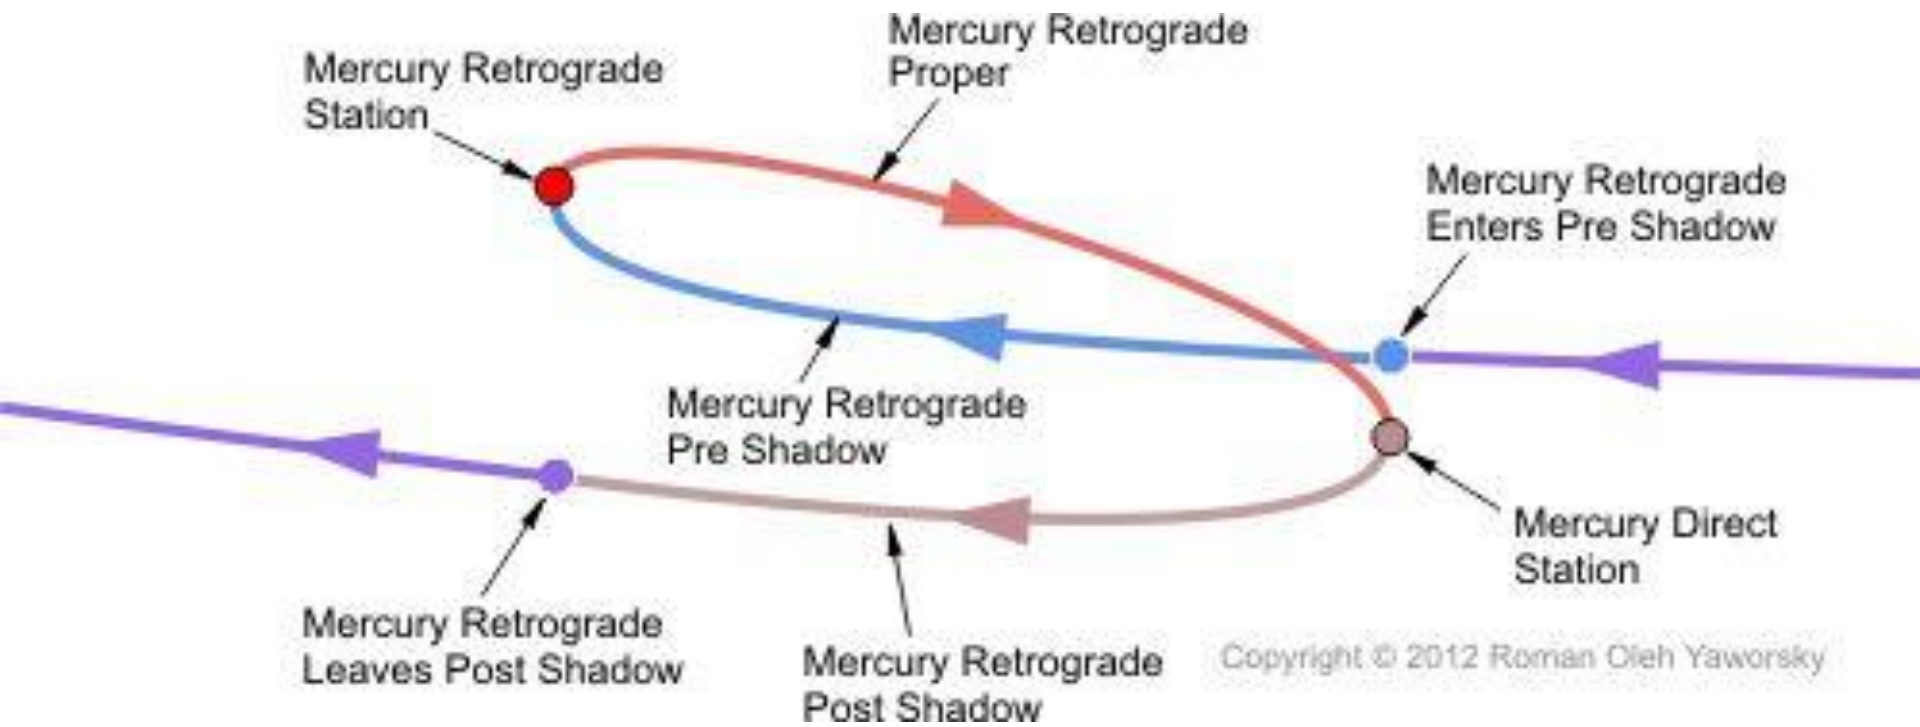

- Natal planet retrograde:
Individual lesson throughout lifetime.
- Transit planet retrograde:
Individual and collective planetary lessons.
- Natal planetary and transit retrograde:
Temporary harmony and balance.
- Natal planet stationary retrograde or direct:
Powerful state, everything is intensified.

Mercury Astronomy

- Revolution around Sun is 88 days.
- Daily mean motion: $1^{\circ} 23'$
- Three to four retrograde cycles per year.
- Retrograde period: 20-24 days.
- Stationary period: 1 day.
- Elongation: 29°

Mercury Retrograde Patterns

- Retrograde cycles reverse through elements:
 - Water, air, earth, fire.
 - One year in one element.
 - Next year transitions from one element to next.
- 2014 retrograde cycles are from water to air element.
- 2015 retrograde cycles will be in air element.
- 2016 retrograde cycles from air to earth element.

- Intense emotional triggers with regard to areas of limitations, relationships, desire nature.
 - Breathing and calming self down through the frustrations.
- Metamorphosing old thought patterns, emotions and feelings.

Mercury Retrograde Scorpio-Libra

- Listen, listen, listen.
 - The biggest communication problem is that we do not listen to understand. We listen to reply.
 - Needing multiple conversations in order to evolve relating patterns and trust.
- Razor-sharp ability to sense lies and betrayals.
- Betrayals of trust lead to need for Taurus self-reliance.

LIBRA

SCORPIO

Mercury Retrograde Scorpio-Libra

Polarity is Taurus to Aries.

- All kinds of communications and details in life lead back to self – self-reliance (Taurus) and self-identity (Aries).
- Listening to one's self – what do your own thoughts tell you? How are they changing?
- Honoring needs of self and others – how to balance it all?
