RE: NEW SURVEY OF VOTERS IN IOWA'S THIRD CONGRESSIONAL DISTRICT

DATE: OCTOBER 10, 2014

The Tarrance Group is pleased to present the following findings from our most recent survey of N=400 registered "likely" voters in Iowa's Third Congressional District. The Tarrance Group was commissioned by the David Young congressional campaign and the National Republican Congressional Committee (NRCC) to conduct this telephone survey. A random sample of this type is likely to yield a margin of error of $\pm 4.9\%$ in 95 out of 100 cases. Responses to the survey were gathered October 7-9, 2014.

The sample is drawn to reflect the latest registration figures in the district as updated for October by the Iowa Secretary of State for the 3rd Congressional District [GOP 34.4%, DEM 32.1% & IND 33.5%]. The ballot question presented to respondents included each of the candidate that will appear on the ballot.
