

50TH BIRTHDAY REGISTRY COMMEMORATIVE BOOK II

Due to popular demand, a second *50th Registry Book* is being made available.

The Mustang Club of America is publishing a second *50th Birthday Registry* featuring photos of vehicles that were **displayed** at Charlotte or Las Vegas this past April. The guidelines to be included in this once-in-a-lifetime Registry are the same as the first *50th Birthday Registry*.

Each entry is \$20 per photo, one photo per car. Photos must be of the car that was on display at one of the two venues. Photos must be of high quality, minimum of 300 dpi in resolution, and must be submitted by July 15, 2014. **NO EXCEPTIONS.**

Be conscientious of the background when selecting a photo for publication. No trees or poles appearing to grow out of the vehicle. No shadows from trees, buildings, or people. The sun should be behind you when photographing the vehicle so that there is no shadow in front of the car. Remember: The car is

the star, no people should be included in the photo. **DO NOT USE ANY TYPE OF SOFTWARE TO MANIPULATE THE PHOTO.**

Photos should be sent electronically or via US mail (on a CD or jump drive). No printed photographs or scanned photos will be accepted.

Again, the deadline is **July 15, 2014**. Pre-production and printing will take approximately 60 days. We expect to begin shipping about September 15, 2014.

The cost of the 50th Birthday Registry II will be \$20, plus a \$9.95 shipping fee. Please make the Registry Book purchase at the same time you pay for your vehicle's photo. The cost per photo must be paid within two weeks of submitting high-resolution electronic photos. Payment must accompany photos sent via CD or jump drive. **Checks should be made payable to 50th Birthday Registry II.**
