How Can Forgiveness Work For You?

People make mistakes. Because we're human. It's what we do.

We're supposed to make mistakes! That's how we learn about life and develop character and personal depth. That's how we become wise. That's why we're here in the first place.

But for most people, making mistakes is not okay. Instead, they beat themselves up every time they do something wrong.

Mistakes become a source 📢 Click Link Below 🖡 n for self-punishment.
