

Please join Hector Castañón, family, and friends as they celebrate the Grand Opening of Simple Computer Repair of Staten Island.

### OUR MISSION STATEMENT

*To provide Staten Island with a computer repair service that is simple by means of flat-rate pricing, no opinions, no speculation & no geek speak. Our highly trained technicians also remove viruses, speed up your computer, reset passwords, recover data, and transfer files to your new computer. In addition, Simple Computer Repair also repairs iPhone, iPads and iPod Touch devices.*
