

### Disaster Relief at St. Luke's

1. Send money to the bishop's discretionary fund. See our web page and Facebook page.

2. Rice depot individually

St. Luke's **is now a collection site for items needed for disaster meal kits** - at the request of Rice Depot and the diocesan Disaster Relief Team. These items may be dropped off at the church office. Attached is the list for one day's meal for a person who may have no ability to prepare meals. All items should be ones that can be eaten as is. All canned goods should have a pop top. Place the items recommended for one day in a one gallon zip lock bag and bring to the church office. The list is on line and in the narthex of the church.

3. Disaster Meal Kit party

We are still encouraging you to make Disaster Meal Kits for Rice Depot at home or at your work and bring them to the church office. However our crisis response team is also planning a Disaster Meal Kit party! We will have an angel tree in the narthex with items to get for the Disaster Meal Kits for Rice Depot which provides food for a day for a person not able to prepare meals. Bring your items to the parish hall where we will gather on Monday night May 19th at 6:30 p.m. in the Parish Hall to put the kits together to get to Rice Depot. Bless each of you for your amazing ministry at this time for our neighbors so close to us who have been harmed.

Ginna Simmons is coordinating this: 5015193725

4. We will send out daily updates from the Diocese Crisis Response team of places you can help with clean up. Tom Simmons, our senior warden, is helping coordinate this.

5. Doug House from our congregation is the state representative to Mayflower and Vilonia is working on connecting us with a church in these areas to have more direct contact with tornado victim needs.
