

Northern Ohio ABC Planning Conference

Friday, December 12, 2014 – ABC Training Center

Northern Ohio ABC is a member-driven organization. The success we achieve each and every year is directly related to the input we receive from our members through participation on committees and our annual planning meeting. Please mark your calendar and join us for the 2015 Northern Ohio Planning Conference on Friday, December 12, 2014. This is the most important meeting of the year as we establish our goals and priorities for 2015 and beyond. We hope you join us.
