## FOR MEAT!

## **№ HUBER'S BUTCHERY & BISTRO**

18A & 18B Dempsey Road. Bistro closed on Monday
Not just your average meat counter, this
large European-style speciality store
provides what is arguably Singapore's
most varied selection of meat products,
from Australian wagyu to Dutch milk-fed
veal, kurobuta ham and acorn-fed jamon

iberico from Spain. It also has an extensive gourmet food section, a small fresh-produce section featuring items such as German white asparagus, Australian herbs and a decent, largely European wine and beer section. It sometimes holds events such as classes where you can learn all about beef. As for its bistro food, it serves up tasty sandwiches and burgers, and of course, homemade gourmet sausages - we especially like the curry wurst with French fries.
