We have just planted the first crop of our pansies! This year we want to give you the chance to pre-book flats with us and pick them up when you are ready.

The majority of what we grow is from the Majestic Giant II varieties. We grow Mix, Fire, Ocean, Purple, Red, White and Yellow. All of these are blotch (have a face). We also grow Matrix Clear Mix and Yellow as well as a Viola called Sorbet Mix Duet.

Plants are grown in 6 packs with 6 packs per flat giving you 36 plants per tray.

Prices are as follows:

\$3.99 per 6-pack

\$22.99 per flat

\$20.99 on 5-14 flats

\$18.99 on 15-24 flats

\$16.99 on 25-49 flats

\$14.99 on 50 flats or more

Minimum Pre-Order is 2 flats. We ask you to pay for them when you order them.

Please book early so we can save them for you! The first crop should be ready about the 2nd week or 3rd week of September with the majority of the crops being ready between the end of September and first of October.

If you have any questions e-mail us or give us a call.

Thanks for your continued business.
