

NOVEMBER
NEW MEMBER RECRUITMENT MONTH
\$25 FOR YOU

Greetings members,

As the new year is approaching faster than any of us can believe, we have designated November as our new member recruitment month. The chamber staff is working hard at contacting businesses that don't currently belong to the chamber of commerce to be sure they are aware of the benefits of joining.

Please help us spread the word! For every new business that you refer to us that results in a new membership this month, both you and the new member will receive \$25 off the cost of membership. The new member will receive the discount upon joining and you will receive

your discount on the anniversary of your annual renewal. Simply hand a non-member this piece of paper and ask them to call Amanda

207-363-4422, we will do the rest!

Thank you for your support.

Holly
