The Competitive Skills Scholarship helps Maine residents who need skills for jobs in growing sectors of the Maine economy.

## What is the Competitive Skills Scholarship Program?

**This program helps you get education or training for a better job.**

Thinking about changing jobs or starting a new career? The Competitive Skills Scholarship Program (CSSP) can help you get the skills you need to start work in one of Maine's many growing career fields.

The program is open to all income-eligible Maine residents, invested and qualified to pursue post-secondary education for high-wage jobs in demand in Maine.

### **Invests in the Maine economy**

Maine businesses need trained workers in order to be competitive in the global economy. The Competitive Skills Scholarship is helping upgrade the skills of the labor force in areas of the Maine economy where workers are most needed in the years ahead.
