

## YEAR END 2013 REPORT

This has been an exciting year for gleaning. We once again we passed the 500,000 mark with a total poundage of 502,437. This includes the poundage of Clint Wagner's group in Marysville and the Xenia UMMen's community garden.

We have a good partnership with Dennis' potato farm, in Wauseon, who donates 2800 pounds or more every week to be delivered to the Kitchen for the Poor, Toledo Gospel Rescue Mission, Cherry Street Mission, St Paul's Community Center and Helping Hands of St Louis. When there are extras, we deliver to Friendly Center, The Mustard Seed, or Church of the Cross.

We also partner with Greenline in Bowling Green who provided us with tons of green beans. Greenline was bought by Optio, a California company. Now we not only get green beans, we also get celery, cauliflower, broccoli, salad trays, carrot strips, lettuce, cherry tomatoes, snow peas, etc.

There are also many growers who donated produce to help feed the hungry. Many of these growers call on us to pick up what is left over after they have harvested their fields. We pray for a good growing season this 2014 that we can get into more fields. So many growers lost their crops due to so much rain this past spring.

All of this does not happen without our truck on the road.

Insurance.....	\$1100.00
Tags.....	\$ 275.00
2 new steering tires.....	\$ 924.00
4 recapped tires rear axle.....	\$1246.80 [purchased by MWD]
