West Ohio Conference Vim Mission Washington, Illinois

May 31-June 7, 2014

The Place

Washington, Illinois. On Sunday, Nov. 17, 2013, a tornado ripped its way through Washington and other surrounding communities. At this point, around 50% of cleanup has been done. Most of the jobs are related to clean up. Almost 500 homes have been served so far.

The Experience

Being a part of a mission team can be a life changing experience. You will gain the satisfaction of working hard to help others in the name of Jesus. The most important thing we will be giving the people we meet and serve is love!

Living Accommodations

Our team will be staying at a local church, taking our own inflatable mattresses or cots. They will provide lunch for us and we will provide our breakfast and dinner each day.

Transportation

Transportation is yet to be determined. Depending on the size of the team, we will use individual vehicles or rent vehicles to drive the 360 miles.

Volunteer Requirements

Volunteers must be at least 18 years old. Volunteers between 14 and 17 may come if a parent or legal guardian accompanies them.

Trip Preparations

There will be a MANDATORY team meeting to be announced at a later date.

Participants must be capable of physical labor. It is required that each person have an updated tetanus shot.

Our Purpose

This Volunteers in Mission work team is a group of volunteers who share their time, talents, and money for this mission. The volunteers (their local church and/or other support groups) pay their own travel and material expenses so they can participate in this mission. They do so because they have a strong, earnest desire in their hearts to serve others. The experience is one of sharing with others. It is working side-by-side and worshiping with our brothers and sisters in Christ in another state, living and working under conditions they experience daily.

This is a West Ohio Conference endorsed mission and meets all of the requirements as set forth by United Methodist Volunteers in Mission.
