

## STUDENT INTERNSHIP OR JOB OPPORTUNITY

Nomad Mobile Guides, a mobile development company based in Blacksburg, is looking for student programmers who are interested in gaining experience with native mobile and responsive web application development.

You would be part of a team developing tools for creating mobile apps for iOS and Android smartphones and tablets. Nomad Mobile Guides is a subsidiary of NewCity, a 20 year-old interactive agency. You would have opportunities for full-time employment after graduation.

This opening is available either as a for-credit internship or a part-time paid position.

### POSITION REQUIREMENTS:

- ➔ You must have gone through the process of actually writing and building a native app for iOS and/or Android - even something simple. We need to know that you can already find your way around the X-Code and/or Eclipse IDEs.
- ➔ The following experience is ideal but not mandatory:
  - Working with MySQL
  - Experience in setting up and maintaining the LAMP stack
  - Working with object-oriented PHP
  - Experience with CSS and HTML
