Fieny van den Boom,
Executive Director, Chilliwack Chamber of Commerce:

China has always been on my bucketlist to visit until last year I had the chance to go. It opened my eyes and absolutely loved the people, the amazing culture and the scenery. At the same time we got to see day-to-day life in modern China and just how far they have progressed in becoming a powerful economic force.

Our tour host, Citslinc, was incredible and did a wonderful job to ensure we made the most of our visit. Friendly and knowledgeable guides were always available to answer our questions, the hotels were superb and transportation was safe and first rate! The food was delicious and always a treat, with something to please everyone. This trip completely changed my understanding of China and I came away with an entirely new found appreciation for its people and its future.
