

ALTORFER

Save On Select Forklift Tires

Are your forklift tires bald, chunking, or worn?

Improve forklift operation, fuel efficiency and operator comfort by selecting the right tire for your environment. Our tires are built tough and deliver exceptional performance in even the most demanding applications.

Let us quote your next set of tires!

We can show you the difference the right tire can make on forklift performance.

We carry tires for ALL makes and models of forklift trucks!

Allis Chalmers	Hyster	Raymond
