PLEASE BE PREPARED WITH THE FOLLOWING INFORMATION WHEN YOU CALL:

- ⇒ Machine model/year, bed model/year, serial #'s
- ⇒ What happened? Did you work on it? Please don't leave information you know out.
- ⇒ Codes - do you know where to find them?
- ⇒ Visual inspection, while/if on hold walk around machine, make notes, keep a pad of paper available.
- ⇒ Where are the main components? Fuse panel, nodes, engine, transmission, etc.
- ⇒ **Help us help you! The more information the better we can serve you.**
