

CAR SEAT RECYCLE DAY

Is your child's car seat or booster seat:

- Over 6 years old?
- From a garage sale or thrift store?
- Involved in a car crash?
- Not being used and needs recycling?

If you answered **yes** to any of these questions, please help us get these car seats out of use. They could be putting children at unknown risk of injury.

Bring your old car seats to Car Seat Recycle Day, sponsored by Safe Kids Wisconsin and its partners.
