

From the Rev. Richard Witt, Executive Director of Rural and Migrant Ministries

Dear Friends,

Thanks to the wonderful efforts from a number of congregations and volunteers, the renovation of the new home for the Youth Economic Group (in the parsonage of the Liberty United Methodist Church) is coming along. It is so beautiful!!! Now we are ready to furnish it. This is where we can use your help. Read on!

We are asking congregations to “adopt” a room. By adopting a room, you will have the opportunity to fully furnish it(see list below) and in turn, we will name the room after you! (or give it a name you choose) We will put up a plaque honoring your good gifts.

So here is how it works:

- Choose a room/spot
- Let our colleague Kriya Roundtree know – 845-485-8627
rmmkroundtree@gmail.com
- Gather up all the items (call us if you have questions)
 - You can choose the style – we just ask that it be classy and nice!

- Make arrangements to bring the items to us AND THEN
- **We will have a blessing ceremony with you, and give you the opportunity to meet our young people and see the place – and share a bite to eat! (Mission doesn't get any better!)** > bring your outreach committee and/or your youth group!

We are trying to get this done during September/October. And then you can also keep your eyes open for our big open-house event!

peace

Richard Witt

Youth Economic Group of Rural & Migrant Ministry
