### WHY HOLLYWOOD? WHY SOS? WHY NOW?

The Golden Age of Hollywood represents an era when film depicted the incredible will of humankind and our ability to overcome struggles. It embodied limitless possibilities for people to hope for a better tomorrow.

SOS Children’s Villages Illinois does this too. We change the lives of at-risk youth, offer courage to struggling families, and provide a safe, loving home for children in foster care every day. We give each child in our care the chance to dream and achieve, and like those characters in the movies, reach their true potential.

Due to growing need and a successful approach, SOS Children’s Villages Illinois has begun a program of expansion to serve even more children and families this year. The time is now to give to SOS Children’s Villages Illinois. With your help, our homes, as well as programs and services, will help more children, heal more hearts, and create limitless possibilities for a brighter future.
