Lecture topics and presenters may change based on availability and presenters job commitments.  
Refer to K-State Olathe webpage at <http://olathe.k-state.edu/academic-initiatives/k-12.html> for updated information and cancellations.

Careers and Cases in Veterinary Medicine Lecture Series is an opportunity for high school students and adults interested in careers and research in veterinarian medicine. Each lecture is one hour in length with time for participants to ask questions of the presenter. Register at <http://olathe.k-state.edu/k-12/vet-med-lecture-series/index.html>. Registration is recommended as only 100 seats are available on a first come first serve basis. If you have any questions about the Careers and Cases in Veterinary Medicine Lecture Series contact Martha Nowak, M.Ed. at [msnowak@ksu.edu](mailto:msnowak@ksu.edu) or 913-307-7321.
