

Adult & Continuing Education **Fall Dinner Series**

Hunterdon County Polytech's Catering Management Course* is excited to host their second annual Fall Dinner Series at the Careers Café. The students have created two different styles of events that are open to the public and you don't want to miss out! If you have attended our dinners in the past, or always wanted to try one, now is a great time to experience the Careers Café.

The events have a maximum capacity of 45 people and reservations will be honored on a first come, first served basis. Both events begin sharply at 6:30PM. Specific menu offering details can be previewed at www.hcpolytechadulted.org one week prior to each event, or you can follow us on Facebook for up-to-the-minute menu details and also to be the first to hear about our Spring 2015 Tuesday Dinners.

Event #1 – “Fall Harvest Tasting Menu”, Wednesday, November 19th from 6:30PM – 8:30PM. This event will be a seated Five Course Set Tasting Menu. Cost: \$25/person

Event #2 – “Grand Buffet”, Wednesday, December 3rd from 6:30PM – 8:30PM. This event will feature an Antipasto Table, three (3) Entrée Selections, Carving Station and a Dessert Buffet. Cost: \$30/person

Location: Polytech's Careers Café at the Central Campus on 10 Junction Road, Flemington.

Seating is limited and reservations are required so please call 908-788-1119, ext. 2007 today. Only checks will be accepted for payment.

The Catering Management course is one of ten courses that are required for Raritan Valley Community College's Food and Beverage Management AAS Degree Program. Courses are also available for a Polytech Certificate of Completion, Culinary Arts related Apprenticeships, or can be taken individually.

For a list of available culinary arts classes and career options, visit www.hcpolytechadulthood.org, or call 908-788-1119, ext. 2009 for additional course details, to register or to request more information.

Adult & Continuing Education has a reputation for vocational excellence and providing educational opportunities for adults to acquire technical skills to begin a new career, enhance existing skills, or enrich their personal lives.
