

*Smithsonian Magazine - Museum Day Live* at CAM featured lots of aviation related activities for everyone! Stations were operated throughout the museum by staff and volunteers. Another example of how CAM connects with the community!

Bottle Rocket Station

Rocket Design

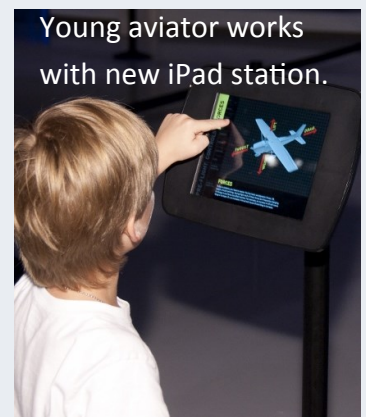

And it soars!

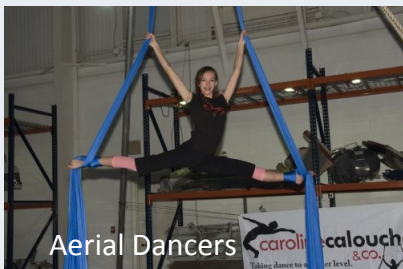

Ramp Visits

1549 passenger Beth McHugh talks to visitors about her experience.

Young aviator works with new iPad station.

Aerial Dancers caroline calouche & co. Taking dance to a higher level.

Kids learn how distribution of weight effects balance

Demonstration of Weight & Balance

Footprint Airplane Tee-shirt

Open Cockpit

Scavenger Hunt
