FOR PRODUCTION & CUSTOM / BOYL BUILDERS

A BDX Representative will receive notification of your interest and send you an introductory email with a login to our BDXLive Customer Portal. This is where you will upload your listing details.

2 GET SET

Gather your materials. For each community you want to list you will need:

- Location of sales office and community
- Plan information – Name, Beds/Baths/Garage, Elevation & Floor Plan Images, & Pricing
- Inventory/Spec Information – Same details as plan

Login to BDXLive to upload your details or contact us at info@thebdx.com and we will help you with the process.

3 GO! GO! GO!

The following business day, you are sent notification of the active listing!

You will be notified via email with home buyer information whenever someone fills out a lead form or requests more information about your home.

And remember, listing your homes on the HBA website is only the beginning. You can easily upgrade your listing to the full BDX Bundle and we will syndicate your information to over 300 real estate websites.
