

Want to help change the lives of
inspirational people—without
putting your hand in your pocket?

Families4Families Inc

Please support us by emailing a photo
(or 10!) of you holding a Dick Smith Food product.
Even better, take one with your family, friends, work or even school ma-
tes—for each person included (up to 10), we receive extra votes. We will
send it into Dick Smiths for you and then Families4Families may gain
some of the funds to be donated to Charity by Dick Smith Foods in 2014!

you decide where it goes!

**\$1 MILLION
TO CHARITY**

\$6 million donated so far ...

We are a Charity established for people living with chronic conditions,
including brain injury, and their family members by others living with
these conditions and their families. With no government funding, our
essential programs are run by passionate volunteers across SA.
