

Three Webinars to Help Your Congregation Grow

by Ed Kruse

You are invited to attend 3 webinars that are designed to help your congregation grow in the coming months and years. Please review the descriptions below.

Webinar #1 Reaching Out to the "Uns"

Uninvolved, Under-involved, and Unclaimed (or Uninvited) members - what percent of the congregation members in our directories fall into this overall group? How did we get to the point where we are losing more members out the back door than come in the front door? In October 2012, the Pew Forum found that the "Religiously Unaffiliated" have increased by 33% in the USA in the last 10 years. What does "embracing the Uns again for the first time" mean?

Experience how stories, practical ideas and case studies inform our congregation's ministries.

- 1) October 15, 2013 - 3:00 PM (CDT) - 60 minutes

What are your spiritual gifts and how are you using them? Thomas Lindsay said, "Spiritual gifts are the foundation for the common life, the divine element, without which all else is a little value." Learn how other congregations are benefiting from this way of "being a congregation."
