Amazing Race: Language and Culture Across the Globe!

2014

Spanish Day Camp

St. Paul

Prepare for language and culture fun in Amazing Race: Language and Culture Across the Globe! Inspired by the popular television show, competitors will earn points as they complete indoor and outdoor challenges. Following race maps around the world, groups will cheer on their teammates in Spanish as they try to conquer obstacle courses – sometimes while closing their eyes! Or try to construct significant landmarks from Spanish speaking countries without using their hands! Or dare to gain individual points by trying a new culturally authentic food. Concordia Language Villages invites Spanish speakers of all abilities to join the race! Register now!

Programs for all language levels • Healthy nut-free snacks included
