BULLYING: DID YOU KNOW?

***The American Medical Association and the American Psychological Association deemed Bullying A National Epidemic.**

***Anti-Bullying Information has Increased 200% in the last 5 years.**

***There are many Anti-Bully Organizations in the United States.**

➤ SO, WHAT MAKES GENERATIONS AGAINST BULLYING (GAB) DIFFERENT?

We recognize that it takes a whole community to be involved in an anti-bullying effort. Schools, parents, organizations, businesses, churches and law enforcement all need to be involved. GAB has developed just such a Program. Our unique, hybrid movie "Bully" is a riveting movie night event that brings the whole community together to create the awareness of this epidemic across out nation. Our Peer Ambassador Training Program is a key that trains students to understand how to be an upstander and confront the bullying in a non-threatening way. When an upstander acts, bullying stops 85% of the time within 10 seconds-we've proved it.

25,000 schools (elementary, middle, high schools) across the Midwest will now get a copy of our Generations Against Bullying (GAB) newsletter! Can you imagine the impact we will now have in getting our message out!

GAB is continuing to grow. Through your contributions, this new outreach will allow us to reach out to more organizations to illustrate our unique Program.

We've succeeded through dedicated, passionate volunteers! Now, in order to move to the next level, we desperately need your help! Please consider making a donation.

GAB has received inquiries from around Wisconsin, and across the country, about our anti-bullying program and community outreach. Our immediate problem is that we don't have enough funding to expand our staff and program to be able to reach out to all the schools and organizations that want GAB to help them set up an anti-bully program. We have all our tools in place to expand our GAB Program:

- ✓ Movie Night Event featuring a riveting 54 minute "Bully" movie
- ✓ 10-minute mini-video that we now have on YouTube
- ✓ GAB brochures
- ✓ Movie Night Event planning resource package
- ✓ Peer Ambassador recruitment tools
- ✓ 9 month Peer Ambassador training program
- ✓ Portable Puppet Theater for the Peer Ambassadors to perform role-plays to the middle and elementary schools.
- ✓ Training Manuals for the Peer Ambassadors
- ✓ Outreach Specialists
- ✓ Guest speakers program:
 - ❖ Annie Jorgensen, Miss High School America 2013
 - ❖ Gilbert Brown, '96 Green Bay Packer Super Bowl Champ
 - ❖ Rob Serrano, Former Chicago Police Officer, Owner of a Martial Arts Studio
 - ❖ Mrs. Wisconsin 2014
 - ❖ American Behavioral Clinics with 54 mental health professionals available to provide mental health help.
