

## CREATE COLLABORATE ACCELERATE

The Ketchum Innovation Center is looking for entrepreneurs and start-up businesses that want to be part of our community's new business incubator. Prospective tenants should be excited and impassioned about bringing new ideas to life, collaborating with like-minded entrepreneurs, and working with mentors and established business experts. The **KIC** provides a beautiful, vibrant workspace with included high-speed Internet, full kitchen, locker room, an open floor plan and a conference room.

For more information about this opportunity, please call or email **Jon Duval**: 727-2117
