PARKING ENFORCEMENT

Parking time limits are strictly enforced year round by Community Service Officers to establish consistency, predictability and dependability.

The Ketchum Municipal Code 10.08.060 prohibits a car from being parked more than 2 hours per day per block (all parking spaces on both sides of a street between two intersections) in restricted areas.

The first citation is a warning issued as a courtesy to customers and visitors who may be unaware of the parking restrictions in downtown. The second citation is \$25.00. The third citation, and each citation after, is \$52.00.

Failure to pay a parking citation within 15 days from the date of issue will result in a \$5.00 late fee. After 365 days without a citation issued against your vehicle, your vehicle returns to warning status.

WINTER PARKING ORDINANCES

THERE IS NO PARKING on any city street from 2:00 a.m. to 7:00 a.m. November 1st- April 15th.

Vehicles left on the streets between those hours will be cited, a fee imposed, and may be impounded or relocated.

HOW TO PARK AND GET AROUND

A GUIDE FOR BUSINESSES & RESIDENTS

Ketchum Police Department

CUSTOMERS ARE OUR PRIORITY...

To promote a business friendly downtown, the City of Ketchum wants to keep the most convenient parking spaces available for customers.

Business owners and their employees are encouraged to park in unrestricted locations; this will free up the most convenient spaces for customers.

...BUT WE WOULDN'T BE IN BUSINESS WITHOUT EMPLOYEES!

There are 933 restricted spaces in downtown and 990 unrestricted spaces. This map shows the locations of unrestricted spaces - all within a 5 to 10 minute walk of the center of downtown!

Four public parking areas are available for parking. Look for this symbol. → 

Two of the public parking areas are available for all day parking:

- the east end of Fourth Street
- the south end of East Avenue

TRIP REDUCTION

One way to solve the hassle of finding an all day parking space while you are at work is to leave your car parked at home. You may not be able to leave your car at home everyday, but even one day a week will make a difference! You can get to work and reduce your vehicle trips around town by walking, biking, transit, carpooling, and tripchaining. VANPOOLS ARE NOW RUNNING FROM TWIN, JEROME, SHOSHONE AND CAREY!
