

Bilingual Spanish and/or Haitian Creole Full-time/Part-time Seasonal Jobs

Southern Jersey Family Medical Centers, Inc.
(Salem, Hammonton, and Pemberton NJ)

Southern Jersey Family Medical Centers, Inc. is a private, non-profit Migrant and Community Health organization with primary health care centers in Hammonton, Salem, Pemberton, Burlington City, Atlantic City and Pleasantville. We provide low-cost health care services to anyone in a five-county region regardless of their ability to pay. See www.sjfmc.org for more information and to apply online.

Be a part of this exciting opportunity to work with Migrant Farmworkers and practice your foreign language skills! There are full-time/part-time summer positions for Outreach Specialists/Drivers. Temporary positions are available from April-October or May-August.

Applicants should speak Spanish and/or Haitian Creole (Hammonton only) and have a high school diploma. Experience in health education and farmworker issues is preferred. Medical Assistants welcome to apply. Must be willing to work evenings and occasionally weekends. Driver positions: Must have NJ driver's license and have a good driving record to drive a company vehicle.

Outreach Specialist/Driver Responsibilities:

- Make regular visits to farm camps in surrounding counties.
- Identify health problems and concerns of farmworkers in order to make appropriate referrals to clinics and other community resources.
- Conduct health education sessions with farmworkers.
- Develop and maintain positive relationships with farmworkers, farmers, clinical staff, and other agencies providing assistance to farmworkers.
- Document all encounters and activities, and provide weekly progress reports.
- Provide transport and interpretation as needed.

TO APPLY: Apply online at www.sjfmc.org for immediate consideration!
