

Bilingual Small Business Volunteers are needed in Essex, Hudson, and Union Counties as well as the City of Clifton NJ.

SCORE, a volunteer small business mentoring organization, is looking for bilingual Spanish/English speaking mentors.

SCORE is sponsored by the (SBA) Small Business Administration and provides free and confidential counseling to startup as well as existing small businesses.

Currently we have a need for additional Spanish speaking counsellors at our main office in Newark, and satellite locations in Clifton, Secaucus, Jersey City, and North Bergen.

Both the Statewide Hispanic Chamber of Commerce (SHCCNJ) and SCORE share the same vision and goals in the continued success of small business.

As existing members of the Statewide Hispanic Chamber of Commerce you are already aware of the needs of the Spanish Business Community. Please take this opportunity to join SCORE and share your special gifts of knowledge and experience with your community.

To learn more or to become a SCORE volunteer call 973-645-3982, speak with any counsellor and feel free to ask for a membership application, or go to www.score.org.
