

# The New Iowa

## Keys to Becoming Culturally Responsive

Iowa's population is changing in ways that could not have been foreseen even five years ago. This presentation provides a brief overview of some critical demographic trends in Iowa and some of the key challenges and opportunities for social service providers.

### Facilitators: Dr. Mark Grey and Dr. Michele Devlin

*Dr. Grey completed his doctorate in Anthropology at the University of Colorado. He is the founder and director of the Iowa Center for Immigrant Leadership and Integration as well as the Associate Director of the Iowa Center on Health Disparities.*

*Dr. Devlin is the Executive Director of the Iowa Center on Health Disparities. She completed her Masters and Doctorate degrees in International Public Health at the University of California at Los Angeles. Dr. Devlin primarily specializes in the areas of refugee and minority health, disaster relief in conflict zones and cultural competency.*
