Materials will guide you in assessing necessary change, effectively implementing changes, and ultimately thriving with change. This workshop has been requested by clergy and lay leaders anxious to focus on motivating and workable solutions for making wise changes, **for the sole purpose of strengthening ministry to a world in need.**

Workshops are open to all churches. There will be group work and you are encouraged to bring three to four people representing leadership and clergy. There is a charge of \$35 per person for the first three people; the fourth person from each church will be free. Attendees are encouraged to bring a box dinner and drink if you do not have time to eat before the workshop.
