

# Alliance Française Student Comments

*From Fall 2013 Evaluations*

“Both of my Alliance teachers have been superb teachers and delightful people.”

“The instructor was very good, fun and flexible. He had good rapport with everyone.”

“I really enjoyed my teacher - her creativity and enthusiasm were infectious.”

“I appreciated that the teacher corrects pronunciation and grammar, but without seeming critical.”

“(The Alliance) is the best: you have the best teachers, best books, great size of classes and very clear curricula.”

“I think the ‘personality’ of the class along with the teacher's skills created a very agreeable environment for learning.”

“My teacher was good about staying in French and was patient with students of all abilities. His humor and ability to create a community in the classroom made the class enjoyable.”

“(I appreciated) the clarity of lesson learning the rules. The teacher was very good at getting across these rules and taught a lot of material which was wonderful. The practice exercises were very appropriate to what we had learned. Also enjoyed the emphasis on immersion which helped students to advance in their ability to understand and speak the language.”

“(I appreciated) all the tools are provided by A/F to learn at whatever level you desire. The entire staff is helpful in every way.”

“I enjoy getting to practice speaking in class and with the other students. I felt inspired to watch French movies and music to try to understand what they were saying.”

“My teacher has a great personality and a good sense of humor which make my learning experience a lot more fun and less painful. He is always available to address any concerns we may have.”

“My teacher runs a good literature class: both welcoming, and challenging, in the right degrees. She invites our participation in all the ways we need - speaking, hearing, reading, writing. This mixture works very well, and the teacher’s bright, smart spirit helps keep us motivated, smiling, working.”

“(My teacher) really cares about her students and works hard to make the class interesting and she engages her students well.”

“I truly adore Madame! She makes the class fun and fresh. She is perfect for what I am looking for in a class at L'Alliance!”

“My teacher is very warm, helpful and inclusive.”

“I appreciated the challenges (my teacher) gave to me as a way of improving my skills. She always had interesting things to present to the class to stimulate us.”
