

# ALLIANCE FRANÇAISE PARKING OPTIONS

## Choice A: The Gravel Lot in Front of the Kamm House

The gravel lot directly across SW 20<sup>th</sup> Avenue in front of our building is diagonal parking, indicated by the red area below; park snugly so as many cars as possible will fit. Don't park beyond the posted area at the end of the cul-de-sac and don't park in the 6 double-deep spots to the south of the building which are designated for the building's residents.

Also note that there are posted time limits on the gravel lot and there is a risk of getting tickets by parking control personnel. Sorry, ***the Alliance is not responsible if you are ticketed by parking control.***

## Choice B: Willamette Dental Parking - 1933 SW Jefferson Street

Free parking at Willamette Dental is available to Alliance students **after 6pm** and **most Saturdays** (Saturday students will get emails to remind them when the Saturday parking is **not** available). Please respect these notices. This lot is located at the corner of SW 20<sup>th</sup> & Jefferson, north side of intersection (indicated by yellow arrow). It is posted 'customer parking only'; the clinic is letting our students use the lot at the designated hours.

Put your pass on your dash to identify you as with the Alliance.

## Choice C: Alliance Parking as Arranged with FUMC Church

Alliance students and event attendees can park for free in the 32 spots in the lot closest to SW Columbia and SW 18<sup>th</sup> Avenue, near the Jefferson Street roundabout (indicated by green arrow) while attending AF classes or events on weekdays and Saturdays. This is a private lot which has signage, *Church Property Parking by Permission Only (and the Alliance logo at the bottom)*. Alliance folks are permitted per agreement. It is a five-minute walk from this lot, to the front of the Kamm House. *Put your pass on your dash.* Note that the Alliance nor FUMC are responsible to damage or loss in the lot.
