D. Youth Ministry Donations

Youth ministry in Lower Susquehanna Synod has been a vibrant, growing ministry for over 20 years. To assist with this ongoing growth and to add services for emerging young adults, at a time when synod and congregational budgets are shrinking, we are asking you to prayerfully consider supporting our shared ministries with children, youth, young adults & their families. Events like today's, Winterfest, and other events are in jeopardy of being eliminated. Please consider helping us to build a strong base to make sure these events continue to provide faith formation for generations to come.

An offering is not required, but ENCOURAGED!
