Questions & Answers

1. How do I register?

Online registration is required for ALL Tidewatch programs via the Parent Portal. Please visit the RCS website (riverviewcharterschool.org) for Parent Portal log-in instructions and access.

2. How do I select my enrichment classes?

It is helpful to have the Tidewatch schedule in front of you when completing your registration. Students will participate in Tidewatch Time activities outside of their enrichment class time.

- 1) Log-in to the Parent Portal
- 2) Click on the "Enroll" tab
- 3) Select RCS and Session I
- 4) Select your **schedule** option (FULL TIME, PART TIME, MORNING CARE, MONDAY, TUESDAY, etc.).
- 5) Select your **enrichment class(es) for the day(s)** your child will attend. This will build your weekly schedule for Session I: August 13 - November 14.

3. Where do I pick up and drop off my child?

Morning Care drop off is located at **EXIT D**, the **CAFETERIA** side door. ***NEW LOCATION**
After school care pick up is located at the Front Office.

4. How and when do I pay?

All payments are made online through the Parent Portal. All registrants are required to enter a bank account or credit card for auto-draft. **Weekly invoices are emailed at the end of each week on Friday. Balances are due IN FULL each MONDAY. Auto-draft occurs each Monday.**

DISCOUNTS

10% sibling discount when registered in the same program or class (excludes Morning Care)

5% discount for families paying in full for the entire trimester by **August 13, 2014**

SESSION I Enrichment Classes

TIDEWATCH TIME (Tidewatch Staff) Grades K-8

Tidewatch Time includes time for homework and Compass Learning, along with indoor and outdoor play, creative activities, organized/group games and sports. Additionally, we have special guest presentations and visits from community organizations such as the Beaufort County Animal Shelter, local fire department and police officers, and the Clemson Extension Campus.

JUNIOR NATURALIST PROGRAM (Kelley Luikey) Grades K-5

The Junior Naturalist program is designed for kids in grades K-5. We will explore and discover the natural wonders of our Lowcountry environment through observation, discussion and hands-on activities. Each class will feature a live "animal of the day" that we will get up close with and learn more about. The rest of class time will be devoted to studying & experiencing the natural world that surrounds us. **new!** This session we will add an archaeology component! Kids will learn through engaging activities how archaeologists uncover the mysteries of our human past and some of the highlights of our human ancestry.

new! BOYS SOCCER (Coach Mike Bridge) & GIRLS SOCCER (Coach Caroline Dalton) Grades 3-6

Are you interested in representing RCS on the middle school soccer team one day? If so, then join us after school to show off your soccer skills and learn new ones! This soccer program will focus on conditioning, dribbling, passing, shooting, cooperation and teamwork to best prepare you for middle school soccer. Please bring shin guards, cleats and water each day.

PIANO LESSONS (Bonita Wreden) Grades 1-8 (grouped)

The group instruction lessons are based on the traditional John Thompson Method, music composition and theory. Students are asked to practice several times per week on their own and they will perform at the TIDEWATCH Showcase at the end of the trimester!

new! MUSICAL GROUP (Bonita Wreden) Grades K-8

Let's start a band! Open to all ages, this musical group will include percussion, piano, guitar and voice. We will write our own songs to perform at the TIDEWATCH Showcase at the end of the trimester!

QUICK START TENNIS (Greg Crosby) Grades K-2 & Grades 3-8

This program is a USTA competitive play format that features modified equipment and courts, allowing kids to rally and play the game of tennis earlier than the expected advanced lesson training. With shorter and narrower courts, lower nets and lower compression balls, kids build the confidence and ability to cover the entire court.

GUITAR LESSONS (Bonita Wreden) Grades 3-8

Students will learn basic chords, how to tune, and song writing. Students will need to bring their own guitar to class each week and are encouraged to sign up for the Musical Group class too!

new! MUSIC & MOVEMENT (Mary Foster) Grades K-1

This class will explore the basics of music including rhythm, tempo, and more. We will play simple instruments including rhythm sticks and assorted bells as well as various percussion instruments. We will also learn songs and dances to various music types so children are exposed to both familiar and not so familiar musical styles.

BALLET/JAZZ COMBINATION (Elizabeth Sanders) Grades 1-3

This Ballet/Jazz Combo class provides an opportunity for dancers to learn the basic form and techniques of Ballet including terminology and flexibility. Jazz will have a theatrical focus with upbeat combinations with leaps and turns. Dancers will learn culminating dances for each discipline. Please bring appropriate dance attire to change into.

new! MINI STINGRAYS CHEERLEADING & STAR STINGRAYS CHEERLEADING (Beth Birkhead) Grades 1-5

Show your Stingray support at RCS pep rallies and basketball games! Learn cheers, chants, jumps, stunts and dances. This is a first-come-first-serve opportunity, there are no tryouts to make the "team". Please bring t-shirt, shorts and athletic shoes. Students participating in cheerleading will cheer at RCS basketball games beginning in November. Transportation to/from the games is the responsibility of the parent. Details on uniforms and game schedule to come.

ART FOR ART'S SAKE (Susan Brown) Grades K-2 & Grades 3-5

Students will explore design elements such as line, color, pattern, and texture to create one of a kind works of art. All materials will be provided. It is recommended for students to bring a large t-shirt or smock to wear during the class.

GYMNASTICS (Holly Zapp) K only, Grades 1-2 & Grades 3-8

The Kindergarten class is an introduction to gymnastics and will focus on strength, flexibility, and beginner skill development. The older grades will learn basic to intermediate tumble skills. An evaluation of skills is required to register for the *Advanced Gymnastics* class which is designed for the advanced gymnast. All classes will develop tumbling skills along with an introduction to beam, bar, and vaulting techniques. Please bring appropriate gym clothes to change prior to class.

new! MANNERS FOR THE MODERN WORLD (Mary Foster) Grades 3-8

This class has been created to help students understand the importance and relevance of manners in today's world, to learn skills that are valuable for a lifetime, and to have fun while doing it! We will talk about what etiquette actually means and learn skills such as properly introducing yourself, writing thank you notes, setting a table and table manners, and more.

BRICKS 4 KIDZ® SIMPLE MACHINES LEGO® FUN (Christina Murphy) Grades K-5

Bricks 4 Kidz® classes build on the universal popularity of LEGO® Bricks to deliver a high quality of educational play. Each class is a fun, enriching experience for your child. Kids build a new MOTORIZED project each week using the classic bricks loved by generations of children. Our unique models aren't the kits you find on the shelves of a toy store. They're designed by Bricks 4 Kidz® to teach concepts across a variety of subject areas. Each unit is based on engaging themes such as space, inventions, famous buildings and more. Working with a partner, your child will experience the hands-on fun of seeing a model come together piece by piece, from concept to completion.

new! BRICKS 4 KIDZ® MOVIE MAKING CLASS (Christina Murphy) Grades 3-8

Light, cameras, LEGO® Action! Use LEGO® bricks to tell YOUR story, complete with music, special effects and all your favorite LEGO® Mini-figure characters! In this unique and creative class, students will plan, script, stage, shoot, and produce their own mini-movie using Stop Motion Animation. Working as a team, students will use LEGO® Components to build the set and props, then shoot their movie using a camera. Don't miss your chance to be a movie producer! At the end of the session, all Movie Makers will go home with their very own short movie!
